

# Chargers

Our chargers can be used to charge the batteries directly in the e-bike or outside the e-bike. The charging time varies depending on the battery and charger.

| Product           | CR245              | CR246               |
|-------------------|--------------------|---------------------|
| Brief description | –                  | Very quiet (0.5 dB) |
| Output            | 245 watts          | 246 watts           |
| Floating voltage  | –                  | ●                   |
| Size              | 22.5 x 13.5 x 6 cm | 18.5 x 8.5 x 5.5 cm |
| Weight            | 1230 g             | 840 g               |
| Cable length      | 3 m                | 3.12 m              |

|                |        |        |
